

ABSTRACT

State Planning Commission – State Balanced Growth Fund – Selection of 105 Backward Blocks – Approval – Orders - Issued.

Planning, Development and Special Initiatives (SPC) Department

G.O.Ms.No.68

Dated :26.08.2015.
Manmadha-Aavani -9.
ThiruvalluvarAandu 2046.
Read :-

1. G.O.Ms.No.13, Planning, Development and Special Initiatives (SPC) Department , Dated : 07.02.2013.
2. G.O.Ms.No.83, Planning, Development and Special Initiatives (SPC) Department Dated : 29.08.2013.
3. G.O.Ms.No.98 Planning, Development and Special Initiatives (SPC) Department Dated : 08.10.2013.
4. From the Member Secretary, State Planning Commission Lr.No.1080/RD &DP/SPC/2015 Dated : 27.03.2015.

ORDER :-

In the Government Order first read above, the State Planning Commission was assigned the task of identifying 100 backward blocks using suitable criteria like poverty, per capita income, unemployment, health, education and gender related indicators for the implementation of State Balanced Growth Fund (SBGF) in Tamil Nadu.

2. The State Planning Commission had wider discussions and consultations with the concerned departments and domain experts in this regard and finally, the backward blocks were identified using the selection criteria employed by different departments to implement some of their programmes based on relevant indicators mentioned below:-

- Blocks with high poverty were taken based on their inclusion under *Pudhu Vaazhvu* project of Rural Development and Panchayat Raj Department for Poverty reduction.
- Blocks which were prone to drought as identified by Agriculture Department for implementation of Drought Prone Area programme were considered for Income
- Industrially backward blocks notified by Micro, Small & Medium Enterprises Department have been selected for Unemployment.
- Health backwardness was identified based on high IMR/ MMR blocks based on Vital Events Survey by the Health Department.
- Educationally backward blocks identified by School Education Department were selected for Education.

3. The Member Secretary, State Planning Commission has stated that, using the above five parameters, all 385 Blocks in the State were categorized as follows:

Parameters	Blocks
5 parameters	7 blocks
4 parameters	33 blocks
3 parameters	65 blocks
2 parameters	119 blocks
1 parameter	107 blocks
Nil parameters	54 blocks

4. The Member Secretary, State Planning Commission has also stated that, as ranking of the blocks could not be done with the above approach, it was decided to take up all the 5, 4 & 3 parameter Blocks (7+33+65=105) under State Balanced Growth Fund. The selection of blocks using the above approach was placed in the 3rd State Level Empowered Committee meeting held on 06.12.2013 and it was approved by the Committee. Hence the target number of blocks selected under SBGF may be taken as 105 blocks instead of 100 blocks specified in the Government order first read above.

5. The Member Secretary, State Planning Commission has therefore, requested the Government to issue necessary orders for the selection of 105 blocks using suitable criteria for the implementation of State Balanced Growth Fund (SBGF) in Tamil Nadu as against 100 blocks.

6. The Government after careful consideration, accept the proposal of the State Planning Commission for the selection of 105 blocks using suitable criteria for the implementation of State Balanced Growth Fund (SBGF) in Tamil Nadu as against 100 blocks specified in the Government order first read above. The list for the selection of 105 of blocks is enclosed as annexure to this order.

7. This order issues with the concurrence of Finance Department vide its U.O.No.47420 /Finance (Public) /2015, Dated: 24.08.2015.

(BY ORDER OF THE GOVERNOR)
